PRIVACY INFORMATION:

By signing this form you are giving permission to use your photograph and other generic details in information to members, publications including the website <https://dragonsabreastgoldcoast.com.au> and Facebook that promote Dragons Abreast Gold Coast / Pink Dragons.

Paddlers who have a medical problem are requested to advise the Coach of their problem at the beginning of the season.

In the event that a medical problem is exacerbated while undertaking a dragon boat activity, the paddler must notify the coach as soon as possible.

- Privacy act provisions dictate that people do not have to divulge this information.
- But if people choose not to surrender their medical information, they must fill out an indemnity form absolving the Club of all responsibility.

It is the responsibility of club members with a medical condition to equip themselves with the appropriate medication at all times while involved in dragon boating.

- Paddlers who are likely to suffer from an ailment or an illness etc while paddling must bring their medication with them on the boat. It is advisable to carry a basic first aid kit at all times in the boat.
